Hello! I'm Olivia Grace.

My goal is to help people by creating functional and inclusive products through design. I aspire to continuously learn and constantly be challenged.

EXPERIENCE

User Experience Intern
Misfit Wearables | Summer 2015

Contributed in various design projects for Misfit's flagship app, by creating concepts, user flows, wifreframes, visual designs for both existing and new features of the app.

Design Intern
Brand Networks | Summer 2014

Helped the company in various tasks for the company's clients and internal projects. Tasks included building wireframes, icons, and creating monthly content.

Designer
RIT Production Services | 2014 – present

Collaborated with other designers in creating creative content for RIT promotional videos and RIT events videos.

Notetaker
NTID Access Services (RIT) | 2012 – present

Assist deaf/hard of hearing students by recording notes and information during lectures and in-class critiques.

Computer Lab Assistant
ITS Lab Services | 2013 – 2014

Responsible for keeping the computer labs clean and organized. Also assisted lab users who are not familiar with the computer lab software and equipments.
